Community Manager & Coordinator

June 2020 - Present (3 months)

Bilaspur, Chhattisgarh, India

Community Manager & Coordinator of Boards of Leaders at Girlsript Chapter, Bilaspur.

o My Work Includes –

Mentoring:- Mentor the whole GirlScript Bilaspur community and help the community to grow more with my experience.

Ideate:- Strategize and drive innovative word of mouth campaigns in our activities and events. Also, give them proper guidance on technical aspects.

Organize:- Planning and organizing events in my community and make any event related to technical or non-technical success.

Udaan-The Students Magazine

Web Developer

September 2019 - Present (1 year)

Bilaspur Area, India

o My Work Includes –

Create - We work with the team and create the design which is a basic layout of the Udaan Magazine Website.

Develop – After the designing, I develop the front-end responsive website which is basically developed by the use of HTML, CSS, JavaScript, Bootstrap.

Publish – Publish the website in a dedicated database.

Manage – Manage the website for about the whole year and made some suitable changes according to the events happening in the event.

Equilibrio - Techfest

1 year 10 months

EXECUTIVE of WEBSITE TEAM

November 2019 - Present (10 months)

Bilaspur, Chhattisgarh

o My Work Includes –

Create - We work with the team and create the design which is a basic layout of the Techfest Website.

Develop – After the designing, I develop the front-end responsive website which is basically developed by the use of HTML, CSS, JavaScript, Bootstrap.

Publish – Publish the website in a dedicated database.

Manage – Manage the website for about 2 months and made some suitable changes according to the events happening in the event.

HEAD of MODEL EXHIBITION (EUREKA!)

November 2019 - February 2020 (4 months)

Bilaspur, Chhattisgarh

o My Work Includes –

Planning – I have planned the exhibition for school and college students and how can they participate?

Ideate – Strategize and drive innovative plan to drive this event.

Manage – Managing all the tasks and problems that occur during the planning and organizing the event.

Promote – Promoting this event to school and colleges and also on social media with proper planning.

Organize – Organize this event in two ways, one for School Level and named it FUSION – The School Exhibition. In this school level around 20 plus participation comes with an innovative mind and the event is successful and another level is College level where 10 plus innovative projects come.

Judge – After delivering a successful event, I managed to promote some professor for judgment of the innovative projects.
