Social Media Content Creation

Aditi Agrawal

Content writer and copy writer || Chemical Engineering undergraduate at NIT Raipur
Raipur

Summary

I share a huge interest in writing creative and compelling content. I focus on creating content that engages the audience and ultimately, captures their attention.

As a content writer,

- I provide plagiarism free content.
- I deliver content free from spelling and grammatical errors.
- Writing is my passion. So, I always work efficiently and do a lot of content research before writing.
- I write precise content with focussed keywords.
- I follow the instructions carefully and convey the right message to the target audience.

If you're looking for a content writer for your company, you can contact me for:

1. Blog writing
2. Website content creation
3. Social media post
4. Product description
5. Advertisement
6. Emailer

Let's connect to create good content!
